

## SOLOS Meeting Minutes 08/11/2022

Introduction of our newest member, Diane Miller. Last month's new member was Laura Riester.

Pat Bolz stated she has the trial SOLOS website up; it can be found at: [pbolz.host](http://pbolz.host), under the SOLOS heading (or at [LTSOLOS.epizy.com](http://LTSOLOS.epizy.com)). Note that it's still a work in progress.

We decided there will be a group picture taken at next month's meeting and it will get posted on the website. So, you are forewarned to be "lookin' good" at September's meeting.

Charlene brought up the Memory Road Music at the Herbertsville Community Center, which includes dinner at 4:15 for \$9.00 and music and dancing from 5 - 8 pm for \$6.00. The next event is this Sat, 8/13. You take Peavine Road about 5 miles past Fairfield Glade. This is the last dinner/band for the year, but they have other events throughout the year. Check out [memoryroadmusic.com](http://memoryroadmusic.com).

Habitat for Humanity Lunch on the Lawn is September 16th from 11:00 am - 1:00 pm, at the Cumberland County Courthouse Crossville grounds. You can buy tickets at the Habitat for Humanity store, cost is \$15 or \$20. There are various food vendors there and you can eat as much as you like from any/all of the vendors; they also have live music. Seating is limited, so bring a lawn chair or blanket if you plan to stay for a while.

Discussed the local hiking and local "marathon" hike for Diane's information as a newbie to the area. We also introduced ourselves to Diane with where we're from, how we ended up at Lake Tansi, etc.

Reminder about the Lake Tansi Beach Concert series and the SOLOS sign Pat has made (it's on the new website), so look for it the next time you're at a concert.

Debbie McConnell has an action to provide several dates, via email to the membership, to attend a Margaritaville matinee at the Cumberland County Playhouse. Anyone wanting to attend will provide Debbie with their first, second and third options; and will announce the winning date to the membership. Right now, plan for everyone to buy their own ticket, but if we have enough interest, we may try for the group discount.

Pam Leiker brought up the Rodeo at the Cumberland County Fairgrounds in Crossville this Fri and Sat (8/12 - 8/13) at 8:00 pm; tickets at the gate, cash only; children events start 30 minutes before the show. Additionally the Fair, running 8/15 - 8/20; see <http://cumberlandcountyfair.com/calendar.html> for the events and times.

We are starting over with the restaurant list; will swap out places we went to lunch previously and do dinners there instead and vice versa with the dinners, if possible. Pat will include the list of restaurants with the minutes. On that note, Stagecoach was scheduled for lunch next Tuesday but they aren't open on Monday's or Tuesday's, so it has been changed to Wed, 8/17, at 11:30 instead.

Eleven of us adjourned to Beef and Barrel for dinner.
