SOLOS Meeting Minutes

1 of 2

Meeting started with an introduction of new members. One new member mentioned she enjoyed music and there was talk about Cumberland Caverns, which has outdoor concerts, including Bluegrass music. It's south of Pikeville, about 1.5 hours drive, and has camping. This led to a discussion of Sweetwater that has an underground lake, but the consensus was it's not that great.

Discussion that the group can't have a website without dues; and we can't have dues without a bank account. We will wait and see how/if the group grows and make a determination of the dues. In the meantime, Pat Bolz has a website that she's added a SOLOS drop down list and will post the minutes and members' info. The site is pbolz.host for anyone wanting to check it out. Only one member, Linda T., requested her info not be posted.

Debbie McConnell sent a list around with the various upcoming plays at the Cumberland Playhouse and requested folks put their name by each play they were interested in (see results below).

Buddy Meeks did a restaurant poll (results below) and the group picked the 2nd and 4th Thursday's of the month for dinners and the 1st and 3rd Tuesday's for lunches. Separate email will be sent out with the info.

Trail walking was discussed; the following were mentioned: outside of Dayton, Laurel Falls and Meadow Falls

The Fair Park Senior Center is having 2 dinner trips to Gatlinberg and one shopping trip.

Charlene Juranko talked about Hospice of Cumberland County, where she works, and handed out brochures. She also shared 4 different desserts with everyone! We're going to start expecting this from her at every event; this is the second time she's done this! Thanks Char!!!

The meeting adjourned and interested folks went on to dinner else where.

Cumberland Playhouse Results:
