

## Solo Club Minutes 5/14/22

Our May meeting at the Hiawatha Recreation Building at our new time... 3:30

This meeting was attended by 7 regular *members* and 3 new recruits! Newest members are Tracy Bramer who teaches English as a 2<sup>nd</sup> language in the Jamestown area...Alice McCartt... whose professionally made cheesecakes you can taste at the Friday nite auction across from Bank One...and her friend Threasa Adkins originally from Nashville, who has operated her family owned Donut shop in Crossville and Fairfield Glade for over 20 years...

A warm welcome to all of you!

In April...

11 members enjoyed our April outing for the Cumberland Playhouse play..MURDER ON THR ORIENT EXPRESS.

The lunches at Ruby Tuesdays and Flying Pig were attended by about 6 folks ...the dinner at La Costa following the May meeting was the most popular with 10 diners...Vegas dinner found only 2 of us ...however David White did show up but didn't see Pam and Pat. **We need a way to make sure that doesn't happen again perhaps a special email on the day of the event to say..." I will be there...pleases find me!**  
"

It was noted that our current calendar had a lunch on Wed instead of Tuesday...a quick call to Buddy Meeks showed it to be a misprint...Lunches will remain on Tuesday and Dinners on Thursday following meeting...

Other topics of discussion were:

Lake Tansi Summer Music series...at the waterside pavilion ...Fun to sit together as a group...Food and beverages available...

Our local "Genesis Gardens" ...a private park filled with azaleas and rhododendrons this spring is in full bloom...get there soon or you will miss the flowers...

Spaghetti Dinners at Lake Tansi Church are only \$10.00

It was also noted that to be aware of all Lake Tansi has to offer we all need to be signed up for the email "BLAST" sent out by Jennifer King regarding current activities and or cancellations!

We adjourned the official meeting at 4:30 and 6 of us continued on to Gondola for a super meal!

Hope to see more of you all on June 9<sup>th</sup>...our next meeting...the 2<sup>nd</sup> Thursday of each month.
