

SOLOS Meeting Minutes 7/14/2022

Introduction of new member.

Discussed poor attendance at the lunch gatherings on the 1st and 3rd Tuesday's of the month and possibly canceling one or both of them. Consensus was not to cancel, but send out notices and/or invites a day or two before the lunch and dinner get together. Also discussed the meeting time for the lunches. Agreed to stay with 11:30, which is what we changed the time to a month or so ago. The Stagecoach Restaurant was brought up as another meal option as well as visiting Chestnut Winery and having a meal at the Brass Lantern. We also discussed re-visiting restaurants already visited after we've been through the entire list - unless the group decides they don't necessarily want to go back.

Next lunch gathering is Lefty's BBQ at 11:30 on 7/19.

Reminder about the Lake Tansi Beach Concert series; Pat has made a SOLOS sign, so look for it the next time you're at a concert.

There's a Cumberland Swing Experience at The Palace on 7/8 at 6:00. Also, don't forget to check out the free outdoor concerts at the Cumberland Playhouse. The next free Cumberland County Community Band free concert will be in Nov at the Stone Memorial High School.

Pat and Charlene went to the Herbertsville Community Center for a Memory Road event, which included dinner at 4:15 for \$9.00 and music and dancing from 5 - 8 pm for \$6.00. Next meeting is in August and more information will be provided.

Action for Pat to hunt down the Friends of the Trails website (alltrails.com [?] check with David).
