

## 01/11/2023 SOLOS Meeting Minutes

The meeting started with Diane Miller talking about discovering the Crossville Singles Over 50 group. She found them on-line and they meet every Monday at 6:00 pm at the Plateau Bowling Alley snack bar and bowl and/or socialize. Cost is \$4.99 for the first game, second game is \$1.00 and seniors get bowling shoes for free. Diane joined them, said they were very welcoming, and enjoyed her time with them. She said everyone was welcome to join them. She also asked about inviting them to join one of the SOLOS' dinners, consensus was yes.

Diane M also brought up that the Lake Tansi Country Club has entertainment on the weekends to enjoy.

David White is taking over sending out reminders for activities. Pat Bolz will continue to keep the calendar on-line. She also requested help determining the meal choices each month; I believe David will be taking that on as well.

Pat B requested ideas for dinner/lunch choices next month (Feb). Tokyo and Vegas, in that order, were the dinner choices; lunch choices, in order, were Pour House and Kali's Kitchen.

Laura Riester mentioned that AARP will be doing 2022 taxes for free at the libraries in Sparta and Pleasant Hill; and Fairfield Glades' community center. Dates and times are TBD. Check out local papers, the venues, and/or on-line to obtain further information.

There was a discussion about showing addresses when group e-mails are sent out; again, consensus of the group was it was not an issue.

Pat B asked about making the potluck meetings a regular event and how often. We determined once a quarter; next potluck will be at our March meeting, with a St. Patrick's Day theme. Charlene Juranko was somewhat disparaging of some member's efforts at the previous potlucks 😊, but everyone contributed, so not a problem.

Meeting adjourned and the group went to the Lake Tansi Country Club for dinner.
